

NLHS Tablet Tour Home Page

Welcome to the New London Historical Society's WiFi-enabled Tour of our Nineteenth Century Village.

To access the tour from within the village, you can connect to our WiFi router and hot spots. The router and hot spots are all unsecured, so you don't need a password. The easiest way to begin your tour is to use the camera on a tablet or smart-phone to "read" the QR code that is printed above. If you can't use the QR code, you can still access the tour by typing the following URL into your web browser –

<http://www.NLHSVillage.org>.
